

No benefits? No problem.

Choose an Association Health & Dental Plan to save on health care costs.

Are you without an employee health plan? You and your family may be paying hundreds, or thousands, of dollars more than necessary for health care needs. Think about the money you spend on costs not covered by your provincial health insurance: prescription drugs, dental bills, vision care and much more.

You can save on these costs with an affordable Association Health & Dental Plan from Manulife. Choose from 8 different plans to suit your needs and budget. All plans include Core Benefits like vision care, massage therapy and hearing aids.

Why choose an Association Health & Dental Plan?
